

G4S International Logistics

Tradeshow Services

SITUATION

“When we decided to showcase our new line at JCK we weren’t sure how to get our inventory safely into and out of the country. That’s when a colleague recommended G4S International Logistics. Instead of worrying about transporting our inventory, we could focus on setting up appointments and meetings. We’ve used them ever since.”

SOLUTION

G4S International Logistics can safely transport your inventory to and from major tradeshows—anywhere in the world. Our logistics experts will identify the best shipping solution for you, saving you time, money and worry. And, if you’re attending more than one show in the same city, we’ll arrange for safe transport to each event—so you don’t have to take unnecessary chances with your valuable merchandise.

G4S International Logistics. Taking you everywhere you need to go.
